## Progress Reports & Quarter Report Cards Will No Longer Be Mailed

Sycamore High School will no longer be mailing home 4.5 week, 9 week and 13.5 week progress and quarter report cards. Your child's grades will be available 24 hours a day, seven days a week on the district's Parent Portal. Please go to the district's website to access the Parent Portal. If you need help please give us a call. If you do not have internet access at home, please call the High School at 815/899-8160 and set up an appointment. We will provide computer access here at the high school for you to view your child's progress.

### Spartan School Store

We are opening the **Spartan Store**, a school store for basic supplies. Our goal is to have it open before and after school and during lunches.

### Singular Test Date for All Standardized Testing

We will be moving all **standardized testing** to a single date in the spring. This means the Explore, PLAN and PSAE tests will all be given on the same date allowing for fewer disruptions during the school year.
