DeKalb, Illinois 60115

INSTRUCTIONS FOR CLINIC

Clinic will have injectable H1N1 flu vaccine. Anyone 6 months of age and older can get the H1N1 vaccine. Vaccines are free of charge.

Minor Children: Children under the age of 18 must be accompanied by a parent or legal guardian.

Clothing: Wear short sleeves for easy access to upper arm for injectable vaccine.

Wait time: Expect to be at the Health Department for approximately one-half hour.

Consent Forms: Consent forms for this clinic for individuals 3 years and older are on the Health Department H1N1 flu website. This form can be printed, completed, and brought to the clinic. Forms for 6 months to 3 years will be available at the clinic.

Vaccination Fact Sheet: Please review the **Vaccine Fact Sheets**. You will not be given the vaccine if you are:
(1) Allergic to eggs
(2) Had a fever of 100° or greater in the past 24 hours
(3) Have had a life threatening reaction after a dose of seasonal flu vaccine

** In addition to the Health Department, vaccinations will be available at a large number of DeKalb County health care providers and pharmacies. Northern Illinois University also has vaccine for their students.*
