Expectations

The end of the year is just nine weeks away. We are increasing our expectations since the students are almost 6th graders. Please continue to work hard for the remainder of the year.

Springfield

On March 12th, the fifth graders got up extra early to make the three hour trek down to Springfield. While at Springfield, the students visited Lincoln's tomb, The Abraham Lincoln Library and Museum, and the Illinois State Museum. It was a long day, but the students had a great time. Thanks to the PTO for making this trip possible.

Bowling

To end the bowling unit in P.E. the fifth graders took a field trip to Four Seasons Bowling Alley. The students has a great time using the skills they had learned throughout the month. A few students also put their bowling skills to good use by participating in local tournaments. Jason, Tyler, and Jarod took first place in a tournament, while Lucas and Trevor participated in a family bowling tournament and are still awaiting the results.

Robert Crown

The Robert Crown field trip is quickly approaching. Hot lunches will not be provided on 4/14, so please send a sack lunch with your child.

Willy Wonka

Great job to Marc, Kelsie, and Elena who participated in the Children's Community Theater play, Willy Wonka and the Chocolate Factory.

Rocket Math

Twice a week, the fifth graders take a one minute math time test. Students should be practicing their multiplication facts every night in order to be successful on these timed tests.

More Important News

Loyalty

The core value for the month of March was Loyalty. On March 30th, the entire school met in the gym to sing to Southeast School Song. What a great way to show loyalty to our school!
