# Friday's Fridge Facts

March 7

We have had a marvelous first week of March here in kindergarten! March has come in like a lion and we can't wait for it to go out like a lamb. Please continue to send the appropriate outwear for the weather as we will be going outside.

Next Friday is music in our schools. If you are available from 12:05-12:45 our students would love to share all they have learned with you. Thank you Ms. Olsen for putting on this wonderful event!

Thank you for your cooperation and support as we have added a few new security measures in light of the recent threat at Sycamore High School. We ask that you continue to enter only through the front doors and always sign-in in the office to ensure the safety of our students.
