Blackberry Farm

Thursday will be our field trip to Blackberry Farm. If you haven't already done so, please submit your child's permission slip and \$4.00 fee for the trip. So far, the weather forecast is looking great! Blackberry Farm will be a wonderful hands-on way to reinforce the concepts we are learning about life in the pioneer days!

Homework

We will be slowing down a bit on the math Home Links, but please have your child keep up with the reading homework and addition fact practice. Also, please check the schedule for your child's day to write the morning message (if he/she hasn't already done so). The children are enjoying being the teacher for this activity and it's been great fun seeing the messages they come up with (they love to include mistakes and have the class correct them!) Thank you for all of your support with homework this year—the children have done a great job with the responsibility of completing their homework consistently and in a timely manner.

Snack Reminder

Just a quick reminder that we have snack every day at around 10:00, and the children are encouraged to bring in a healthy snack from home. This really helps keep hunger at bay and energy levels up until lunchtime. Thank you!
