Step 3. If the Association is not satisfied with the disposition of the grievance at Step 2, or the Step 2 time limits expire without the issuance of the Superintendent's written answer, then the Association may submit the grievance to final and binding arbitration. The arbitrator shall be selected from panel(s) to be secured from the American Arbitration Association. If a demand for arbitration is not filed within thirty (30) days of the date for the Superintendent's Step 2 reply, then the grievance will be deemed

withdrawn. If the parties mutually agree, the expedited labor arbitration rules of the American Arbitration Association may be utilized in any arbitration proceeding.

A. Authority of Arbitrator

The Arbitrator shall have no power to alter the terms of the Agreement or to ignore or add to the provisions of the Agreement. His/her decision shall be based solely upon his/her interpretation of the meaning or application of the express relevant language of the Agreement. He/she shall be empowered to render any award which shall be consistent with this Agreement and within his lawful authority.

B. Expenses of Arbitration

Each party shall bear the full cost for its representation in this arbitration. The cost of the arbitrator and the American Arbitration Association will be divided equally between the parties. Should either party request a transcript of the proceedings, then that party shall bear the full cost for the transcript. Should both parties order a transcript, then the cost of the transcripts will be divided equally between the parties.

C. General Provisions

1. The Board acknowledges the right of the Association's grievance representative to participate in the processing of a grievance at any formal level and no Support Staff shall be required to discuss any grievance if the Association's representative is not present.
2. Provided the Association and the Superintendent agree, Step 1 and/or Step 2 of the grievance procedure may be bypassed and the grievance brought directly to the next step. Grievances involving more than one supervisor and grievances involving an Administrator above the building level may be filed by the Association at Step 2.
3. No reprisals of any kind will be taken by the Board of Education or the school Administration against any Support Staff because of his/her participation in this grievance procedure.
4. The Board and the Administration will cooperate with the Association in its investigation of any grievance and will furnish the Association with such requested information as is reasonably available and relevant for the processing of any grievance with the exclusion of privileged information and inter-office communications.
5. If by agreement between Support Staff and/or the Association and the Administration the investigation or processing of any grievance requires that Support Staff or an Association representative be released from his/her regular assignment, he/she shall be released without loss of pay or benefits.

6. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
7. Failure of the Administration or Board to respond to the grievance shall automatically file the grievance at the next higher step. Failure of the Association or Support Staff to meet any prescribed time limit shall preclude further appeal of the grievance.
8. Upon selection and certification by the Association, the Board shall recognize a grievance representative in each building and an Association Grievance Committee. At least one Association representative may be present for any meetings, hearings, appeals or other proceedings relating to a grievance which has been formally presented subject to the provisions of Section C of this grievance procedure. Nothing herein contained will be construed as limiting the right of any Support Staff having a grievance to discuss the matter informally with his/her supervisor and having the grievance adjusted without intervention of the Association. Any settlement or adjustment agreed to by an individual without the intervention of the Association shall be non-precedential as regards the Agreement and the Association. The adjustment shall be consistent with the terms of the Agreement. If such adjustment includes any written determination which affects any provisions of this Agreement, a copy thereof shall be given to the Association President or designee.
