

Spring League Registration

Mission Statement: To provide girls with an environment that encourages teamwork, good sportsmanship, positive self-esteem, pride, and athletic excellence.

About the program: SGS is a non-profit, volunteer, community organization providing recreational softball for players ages 5 all the way through High School. We have been established in Sycamore for nearly 30 years.

Players are split into school grade-based leagues and placed on teams to play against other teams in their league. Practices begin after April 1st leading up to our Opening Day ceremony May 19th when games begin. The season will finish in late June or early July (before July 4th) depending on your daughter’s grade-based league.

Program costs: We pride ourselves on being the lowest cost softball program around. We look to provide the most to your athlete that we possibly can. Costs per league are as follows:

- Pre-K/Kindergarten League - \$55
- 1st/2nd Grade League - \$65
- 3rd/4th Grade League - \$70
- 5th/6th Grade League - \$100
- 7th/8th Grade League - \$100
- High School League - \$100

Time Commitment: You can expect your athlete to be playing softball twice a week primarily on Tuesdays and Thursdays for games and practices. Our Coaches will also have field availability on Saturday mornings which can be utilized for schedule flexibility with practices. As we get into the games portion of the season, you will see some games played on Saturdays as well. For players in the 5th/6th League and above, we offer some night games built into their game schedules once school is out.

Equipment: There are only two pieces of equipment that each athlete is responsible for on their own: glove to catch with and a fielder’s mask to protect their face when playing defense. Cleats are optional. SGS will provide players with a uniform and all other equipment necessary to play.

To Register: You can register online at sgsball.com. Walk-in registration will also be available at the below **free** Winter Skill Clinics held at the Sycamore High School fieldhouse. *Save time, skip the line, register online!* Clinic dates and times are as follows:
