Looking for ways to make your kids' time at home entertaining and educational? Or just need a fun break for yourself?

Bringing the ZOO to YOU

Join Brookfield Zoo on Facebook every weekday at 11:00 a.m. (CT) for a "Bringing The Zoo To You" Facebook Live featuring one of our animals as well as plenty of educational, informative insight from one of our Animal Care Specialists. If you can't make it at 11, that's okay. The video will be saved afterward on Facebook as well as on our YouTube channel. We'll also post the animal schedule as we know which animals will be appearing each day.

See you on [Facebook.com/BrookfieldZoo!](https://www.facebook.com/BrookfieldZoo/)

Nearly 45 animatronic dinosaurs that are BIGGER and BADDER will be coming to Brookfield Zoo in 2020. DINOS EVERYWHERE! features acres of earth shakers, including the largest—*argentinosauros*—that was estimated to measure more than 100 feet in length and weigh up to 110 tons. This summer, zoogoers will be able to search for these amazing life-like animatronics that will be located throughout the park.
